

Discover the Avant advantage — a convergence of quality, reliability, and innovation to elevate your business. Thank you for choosing Avant as your partner in success

At Avant, we've been redefining the way businesses access office and industrial supplies since our inception in 2015. With an unyielding commitment to quality and a dedication to delivering excellence, we've earned our place as a trusted partner for businesses across Qatar.

Our primary focus is on supplying essential goods to corporate and trading customers. Beyond this, we play a vital role as an intermediary, connecting customers with manufacturers and dealers both locally and internationally. As adept sourcing agents, we facilitate the procurement of items from abroad, addressing needs that may not be met in the local market. Complementing this, our commitment includes offering competitive wholesale pricing meticulously tailored to meet the unique requirements of our corporate customers, ensuring a seamless and cost-effective sourcing experience.

Major Clients

Office Supplies Division:

Explore our comprehensive Office Supplies Division, your ultimate destination for all workspace essentials. From fundamental supplies like paper, pens, cartridges, and toners to cutting-edge computers and accessories, we've curated an extensive range.
